Go on tell me what you think of the site?

Are there any features that you want?

What's the colour like? Are there any spelling mistakes? ;)

Neil,

Is there any way of putting an image from the Oldfield Gallery on my profile. There is a super snap of me "ghosting through to score" against North Dorset. Can you sort this?

Cheers

Boy see.

Which profile? Your Forum picture or the members list? Either is no problem and if you like I can do it for both - at a price?!
